EDUCATION

Duke University

Bachelor of Science in Computer Science

Durham, NC

Expected May 2029

- Kinesis Foundation Scholarship Recipient (2024–2029)
- **Current Coursework:** CS 101, CS 240

Specialized Secondary School in Science, Math, and Technology (Cimatec)

Caguas, PR

High School Diploma

May 2024

- 4.0 Unweighted GPA, Graduated with High Honors
- **Relevant Coursework:** Intro to Robotics, Programming Principles (C++), SolidWorks, Planetary Radar Science (Python)

EXPERIENCE

Clinical Research Assistant

Jan – Oct 2025; Aug 2026 – Present

Aging Center, Duke University Hospital

Durham, NC

- Co-authored “Resilience and Neurocognition in Hispanics and Non-Hispanic White Persons Living with HIV.”
- Conduct clinical research visits for Parkinson’s disease and Hispanic neurocognitive studies, collecting participant data.
- Administer sociodemographic and neuropsychological assessments to Hispanic older adults in North Carolina.
- Manage 50+ participant records in REDCap, maintaining accurate study data for HIV neurocognition research.
- Collaborate with the Duke Aging Center’s Diversity in Aging Research (DAR) Team under Dr. María J. Marquine.

Production Technician

May – Aug 2026

Té K Kombucha (La Fermentería)

Puerto Rico

- Resolved an over-carbonation issue in 200-gallon/week production by analyzing pH, °Brix, and carbonation data.
- Helped launch a new raspberry flavor, now sold at Walmart and Freshmart in Puerto Rico.
- Refined the flavor by adjusting sweetness and carbonation formulas and monitoring secondary fermentation.
- Built an Excel tracking system to monitor fermentation across weekly production batches.

Videographer & Editor

Feb 2025

Duke Responsible AI Symposium

Durham, NC

- Delivered multimedia coverage of the Duke Responsible AI Symposium by filming with professional camera and audio gear.
- Produced event content through 5 on-camera interviews with 2025 Duke Hackathon judges, organizers, and attendees.

Latinas in STEAM | Puerto Rico

Aug 2021 – May 2025

Executive Team Member & Media Designer

Aug 2021 – May 2024

- Empower young Latinas interested in STEAM as one of a 12-member nonprofit leadership team.
- Organized workshops and programs for students at CIMATEC and the University of Puerto Rico, Río Piedras (UPRRP).
- Promoted programs and STEAM gender-gap awareness by designing monthly Facebook and Instagram publications.

College Access Program Mentor

Aug 2024 – May 2025

- Guided 3 Latina high school students into Ivy League and T10 schools, with scholarship awards.
- Provided personalized coaching on college essays, scholarship applications, and admissions strategy.
